

Ready when you are.

M VESA Flexarm 360 II Black

The M VESA Flexarm 360 offers a flexible alternative to rigid wall mounts for displays weighing up to 25kgs. The M VESA Flexarm 360 can both tilt and rotate. Still it is safely secured with the included padlock.

Perfect for public environments where flexible installations and security is of essence. Of course even better for home installation with its quick and easy installation combined with the useful tilt and rotation function.
