

Philips
Pocket projector

30 lumens

PicoPix[™]

PPX 1430

Project your life

The compact and light Philips pocket projector can easily be connected to a wide range of gadgets (digital cameras, mobile and smart phones, iPod/ iPad/ iPhone etc.) and allows you to share their content any time and anywhere. Thanks to the integrated MP4 player this pocket projector can also be used as a stand alone device which retrieves its content from the internal 2GB memory or one of various different types of memory cards.

Integrated MP4 Player

- Enjoy your videos directly from the internal memory, SD card or a USB stick

Large image projection

- Project an image up to 80" in size

Versatile connectivity

- Connect numerous portable appliances to your projector

Innovative LED Technology

- Enjoy perfect movie quality from this battery powered device
